## Bev George and Associates

Founded in 1986, Bev George & Associates is a full service real estate firm helping buyers and sellers in Madison County and surrounding areas.

Owners John and Bev George have assembled 22 associates, many of whom have advanced professional designations. Education is a high priority and agents continue to learn ways to better serve their clients. One of the reasons for the firm's success is that it has stayed on the cutting edge of the real estate business by embracing available technologies.

Integrated Technology Associates has helped the company stay ahead of the curve through the purchase/lease of computers and ancillary equipment. The hardware and software has been supported by courteous and knowledgeable staff.

Key to the relationship, has been ITA's ability to translate our needs into secure solutions while staying within budget parameters. As the real estate business continues to evolve and our needs change, we will depend on our partnership with ITA to meet the challenges.
